Fagan, Susan 12:06 PM:

please say at some point the webcms is NOT a records system

Fagan, Susan 12:06 PM:

it has no records schedule relationship

Fagan, Susan 12:24 PM:

You should also consider whether you manage any content that will be archived as a result of the change in administration. You do not need to archive that content immediately; instead, unpublish it, and once you have determined all content that you wish to archive, follow the steps on the [Archiving Content from EPA's Website page](#).

Darlington, Lin 12:24 PM:

thanks

Fagan, Susan 12:27 PM:

is that Jennifer?

Darlington, Lin 12:28 PM:

Becky
